Clip-mounted luminaire	<ul style="list-style-type: none"> <li>- Clip-Mounted luminaire</li> <li>- Unfavorable condition</li> <li>- Normal use</li> </ul>	OSM/LUM-ETF5	2019 ETICS Plenary Meeting
<b>Question</b>			
<p>Test E. Clip-mounted luminaire. If a luminaire is marked with the warning “only for horizontal plate”, can we consider this one the most unfavourable condition in normal use?</p>			
<b>Decision</b>			
<p>In this situation a manufacturer’s warning would not change testing procedure, being in the most onerous orientation.</p>
